

Employee Privacy Notice (May 2025)

Controller: Tectonic Solutions SA/NV. Privacy contact: privacy@tectonic-solutions.be.

1. What we process

Identification data, contract and payroll data, working time records, performance data, IT and security logs (VPN, DLP, access logs).

2. Why

Execution of the employment contract, legal obligations (social security, working time), legitimate interests (security of our systems, protection of confidential information).

3. E-mail and IT monitoring

3.1 Monitoring of electronic communication data complies with **CCT n° 81** and was presented to the works council.

3.2 **The content of an employee's mailbox is only accessed after the employee has been informed**, in the presence of the employee or a person of their choice where possible, for a specific purpose and limited to what is strictly necessary.

3.3 E-mails clearly identified as **private** (e.g. "PRIVÉ", "private", "persoonlijk" in the subject) are not opened.

4. Retention

Security logs: 12 months. Personnel file: 5 years after the end of the contract.

5. Your rights

You have the right of access (including a copy of your data, e.g. time records and logs relating to you), rectification, erasure, restriction and objection (GDPR art. 15-21).

Requests: privacy@tectonic-solutions.be – answer within one month. Complaints: Data Protection Authority (APD/GBA).
