

Telework Policy (2023)

1. Employees may telework up to 2 days per week (structural telework, CCT n° 85 annex required).
2. **Telework must be performed from the employee's home address in Belgium.** **Working from abroad is not allowed**, except for cross-border workers from their home address in a neighbouring country within the applicable tax thresholds.
3. The employee must be reachable during core hours.
4. Equipment is provided by the company.
